# SHIPPING BOARD

Thirty-six ships were launched in March by the United States Shipping Board, it was announced tonight, and livered to ship operators for service. Two

more vessels are expected to be added to the March record.

The tonnage of the ships put in service by the board this month total 182,300 deadweight. The aggregate of launch-lage for the month was 222,76 tons dead-

lowing: Six contract steel ships, of a tetal deadweight tonnage of 51.559; twenty-one requisitioned vessels, of 18.606; mine others, of wood and composite, of 31.500 tens. The recent good weather already is

## Comfort and Efficiency in the Home Spring Cleaning Wil Be a Pleasure If Done With a Hoover Vacuum Cleaner There's no dust or germs in the home kept clean with a HOOVER Vacuum Clean-

er. It has superseded the old unsanitary broom and made housecleaning a thing of pleasure.

Even a child can operate a HOOVER-it glides so easily over the floors, furniture, etc. It cleans draperies with equal ease. The HOOVER accomplishes more than other ordinary sweepers -it shakes and thoroughly cleans carpets and floor coverings by the aid of a whirling brush of soft hair in addition to the suction.
